Applicant/Party present in person.

Opponent/Party II represented by Learned Advocate

AWARD

(Delivered on this the 27th day of the month of
June of the year 2024)

This is a application under Section 2A(2) of the Industrial Disputes Act, 1947. The Opponent has filed its reply. The Applicant has filed his Rejoinder.

2. Briefly, the claim of the Applicant is that the Applicant is a permanent workman of the Opponent. The Opponent is a Genetic Pharma Company and has its presence globally in pharmaceutical market and that, since its inception in 1968, the company has grown manifold and exports medicines to almost 100 plus countries. The company also has its manufacturing facilities in Countries like USA, U.K.,

South Africa, Australia, Philippines etc. It is the case of Applicant that he was working as a Packing Operator, operating CVC machine in the packing department under the overall supervision and control of Packing Officer and Shift-in-charge. As a CVC Operator, Applicant was performing duties such as Log-in in the CVC Machine by using his log-in ID, transportation of finished bulk products from quarantine area to CVC line of packing, cleaning activity of the said batch after completion of the batch to make machine area ready for next batch. It is his further case that since the time he joined his services with the Opponent on 08-05-2019 he is performing his duty with clean and unblemished past service record. The last monthly salary paid to the Applicant was Rs. 39,648/-. Applicant further stated that, no sooner the Opponent learned about the unionization of the Applicant and his other colleagues under the banner of "Goa Trade and Commercial Workers' Union" (AITUC), the Party II, started selective harassment and victimization of the Applicant and the office bearers of the Union.

3. The Opponent/Party II under the leadership of Manager, Mr. Prashant Gawad, Production Head, Mr. Manoj More, Production Manager, Mr. Ganesh Kute, Shift Incharge, Mr. Santosh Barwada and Capsule Manager, Mr. Chandrashekar Patnaik, resorted to various illegal and unfair labour practices to undermine and discourage the formation of Trade Union. It is further claim of the Applicant that the Management team of the Opponent started coercing and pressuring the Applicant and the other workmen from forming the Union and when objected, they were refused employment and by way of punishment were transferred to far-off places.

4. The Applicant in this case was summarily terminated as a revenge for forming the Union. The Management team of the Opponent named herein above threatened the Applicant and the Union President Mr. Prakash Sawant and other Office bearers and pressurized all to resign from the Union and to join internal management sponsored Union. Those Union member workmen who resigned from the Union under threat and coercion were retained in the Company's Verna-Goa Plant. The Opponent gave 3 options to the workmen (a) workmen must resign from the Union membership (b) if refused to resign, a punishment transfer to far-off places and (c) to submit their resignation and to take monetary compensation.

5. The Opponent thereafter, summarily issued termination letters to 5 unionized workmen as an act of harassment and victimization. It is stated that the termination of services of the Applicant/workman w.e.f. 02-01-2023 is a clear case of selective harassment, victimization and unfair labour practice. The termination letter has been issued summarily without following the principles of natural justice, in gross violation of applicable provision of law and without offering any opportunity to be heard in the matter which act of unfair labour practice and illegal termination amounts to violation of Section 33 of the Industrial Disputes Act, 1947, hence the present application seeking the relief of re-instatement in services of the Opponent with full back wages, continuity in service along with all consequential benefits.

6. In the written statement filed, the Opponent in the first place raised preliminary objections stating that the Applicant is not a 'Workman' as defined u/s 2(s) of the Industrial Disputes Act, 1947, hence his claim is not maintainable. That the Applicant has not justified his demand/claim. The claim has been wrongfully filed before the Tribunal despite the dispute being not referred by the Government as such the claim is not maintainable u/s 2-A(2) of the Industrial Disputes Act, 1947. On merits, it is stated that the Applicant was employed as a 'Junior Officer' with the Opponent and was pre-dominantly discharging supervisory duties, hence not to be construed as a 'workman' in terms of Section 2-A(s) of the I. D. Act. The services of the Applicant were terminated on account of bonafide loss of confidence and for the reasons mentioned in the Termination Letter dated 02-01-2023. The Opponent denied that the Applicant was working as a Packing Operator, operating CVC machine in the Packing Department under overall supervision of Packing Officer and Shift In-charge as alleged.

7. According to the Opponent, the Applicant was pre-dominantly discharging supervisory duties such as supervising workers working under him, to ensure high productivity, sending e-mails for achieving productivity, sign a checker and verify batch records, to plan and notify shift schedule of subordinate employees, supervise the work of contract workers, shouldering responsibility for achieving highest productivity, planning and managing production targets, facilitate the process of production under his control and to ensure compliance with internal and external guidelines and work as per SOPs. The Opponent therefore denied that the Applicant was working as CVC Operator as claimed by the Applicant.

8. The Opponent specifically denied the allegations regarding selective harassment and victimization of Union workers including the applicant and the Office bearers of the Union Committee. It is denied using various illegal and unfair labour practices with the objective to discourage of formation of Trade Union as alleged. It is denied that the Applicant and other Union members were illegally refused employment and transferred to far-off places by way of punishment to discourage their participation in the Union and that the Applicant's service was terminated summarily to take revenge for forming the Trade Union as alleged. The Opponent denied having their internal Union in the Company as alleged by the Applicant. The Opponent denied having given three options to the unionized workmen as alleged and stated that the transfer of the few employees were done as per normal practice. It is their case that the Union has raised false industrial dispute against the Opponent to create an hardship to the Opponent. It is denied that the termination letter has been issued in gross violation of applicable provisions of law as alleged and maintained their statement that the termination was on account of loss of confidence and for reasons stated in their termination letter dated 02-01-2023. It is denied that illegal termination of the service has caused injustice, losses, prejudice and hardship to the Applicant and prays that the application filed by the Applicant be rejected with cost.

9. In the Rejoinder, the Applicant denied all the objections/contentions of the Opponent and submitted that Shri Varaprasada Rao Koka has no authority and locas standi to sign and verify the written statement on behalf of the opponent. It is stated that all the contents of the written statement filed by the Opponent are false and misleading. It is denied that the present dispute is not an 'industrial dispute' as defined under the Industrial Disputes Act, 1947.

10. While referring to the provision of Section 2-A, it is stated that the present application has been filed being aggrieved over the inordinate delay that has occurred after raising the dispute by the Office of the Conciliation Officer and that the application has been filed after the lapse/expiry of 45 days. As such it is stated that the application is not maintainable under the law. In the Rejoinder, the Applicant has reproduced and reiterated all the contentions and the claim raised by him in his Application and has denied the case/objections raised by the opponent in their Written Statement.

11. Though the matter was referred to the National Lok Adalat for amicable settlement, however, the file was returned to be placed before the regular board as the settlement could not take place before the Lok Adalat. The matter, therefore, was posted for evidence of the Applicant and pending the same, the workman/Applicant filed his application for withdrawal of the dispute at Exhibit 11 along with terms of settlement at Exhibit 12. Opportunity was granted to the workman to go through the withdrawal application as well as the terms of settlement before accepting the same by this Tribunal. After ensuring that the withdrawal was voluntarily, this Tribunal has accepted the application for withdrawal.

12. The terms of settlement are as follows:

1. The Management stated that they have already paid all the dues to Shri Shailesh Vilas Gawas vide bank transfer on 05-01-2023, total amount of Rs. 85,304/- (Rupees eighty five thousand three hundred and four only) as full and final settlement of all his legal dues as per the terms of this appointment letter which he has duly received and acknowledged.
